Dover, Delaware 19901

Reference: Waste Disposal Services for Various Sites

SUBJECT: Letter of Intent for Award of Subcontract Number Z0830611

Dear Mr. Raboin:

This letter will confirm the telephone conversation of June 29, 1983 between Mr. David E. Soltis of NUS Corporation and yourself. Your corporation has been selected for award of the referenced project in accordance with your letter proposal including all correspondence through June 29, 1983. Pending finalization of a subcontract between NUS Corporation (NUS) and Atlantic Coast Environmental, Inc. this Letter of Intent will prevail.

NUS must obtain approval of the United States Environmental Protection Agency (EPA) before finalization of a subcontract with your corporation. We anticipate that we will be in a position to finalize a subcontract on or about July 15, 1983. All terms and conditions will be consistent with the appropriate General Provisions of the EPA. The subcontract will set forth certain clauses covering health and safety, security, quality assurance, confidentiality and control of data, publishing of information and reporting of information that is consistent with services performed for the EPA under their hazardous waste management program.

This Letter of Intent is valid for the period of June 29, 1983 through August 15, 1983. All services and related fees shall be accounted for in accordance with standard practices for Federal subcontracts. During the above noted period you are authorized to incur \$107 per 55 gallon drum to perform the services defined by your letter proposal.

All communications of a technical nature shall be directed to Mr. Don Senovich, Regional Project Manager, or his formally-assigned representative at the following address:
